

PARK COUNTY LIVESTOCK COMMITTEE

P.O. Box 1215
Bailey, Colorado 80421

Dear Catch-An-Animal Family:

Welcome to the Catch-An-Animal (CAA) Program! This program is a partnership between Park County Livestock Committee (PCLC) and the CSU Extension Office. We are excited to offer you this learning opportunity and hope that you are as excited as we are!

As a new Catch-An-Animal (CAA) family, you are certainly part of something very special. As you become more and more involved with the Park County Livestock Committee (PCLC) and 4-H, you will continue to have new opportunities – even beyond Park County – because 4-H events occur at the county, district, state, national, and even international levels! But all the fun starts at our local club level. We encourage your family to become very active with your 4-H club and encourage you to join us at the Livestock Committee meetings as well. The PCLC meetings are held on the third Monday of every month at 7:00pm at the Bailey Community Center.

The Catch-An-Animal Committee, your club leaders and volunteers will guide you through your CAA requirements and your 4-H project with the support of the CSU Extension staff members.

Here are some of the next steps:

1. Make sure you enroll in the Park County 4-H Program(Beef Kids). Enrollment will open around October 15. You will enroll through www.4honline.com.
2. Mark October 20TH at 6:00 pm on your schedule for our orientation meeting, you must be in attendance, at the Shawnee Community Center
3. If you are receiving a Market Beef Project – Call before **October 10th**(You can call anytime now) for an initial pen inspection.
4. If you are receiving any of the other CAA species – Call anytime for your pen inspection. Don't hesitate – it is much easier to put posts and fence up now rather than when the ground is frozen. If you have questions about the requirements **don't hesitate to call!**

The Extension staff members who manage the local 4-H program are:

- Abby Williams, Park County Extension Specialist
- Elaina Michael, Park County Extension Specialist

These Staff work for Colorado State University Extension at the Park County Fairgrounds, and Bailey Community Center. They serve as field faculty for Colorado State University, one of our Land Grant Universities. Extension is supported by county, state and federal funding. The local Extension office is located at the Park County Fairgrounds and the Bailey Community Center. The Park County Livestock Committee phone numbers, if you have any questions about Catch an Animal, **please call** any of them!

Your Park County Livestock Committee, Club Leaders and Extension Staff are here to support your family as you explore the exciting world of Livestock 4-H projects. **You get out of this program what you put into it, so please plan to engage with the Park County Livestock Committee as well as your sponsors!**

CATCH AN ANIMAL COMMITTEE:

John Woodward - 303-241-9638 - Beef

Steve Benninghoven - 303-903-2863 - Beef

Jamie Maneulito - 303-718-2014 - Swine
